

10/21/2006

Dear Ann + Alessandro -

This place is amazing - far better than I could have ever imagined!  
Thank you for helping us through - living Italian-style. We appreciate  
all your help!

I want to know how your ~~remodel~~ construction goes -

If you're ever in San Diego or Los Angeles, please keep in touch.

Give my love to Sam + Ozzie as well!

Ajit
