Subject: Gibbs / Carter Visit - Villa Roncovisi

Hi Alessandro / Ann,

This is just a short note to say to you and your families how much we all enjoyed our stay at Villa Roncovisi. This morning as we pack our bags and head to Rome we are all feeling a sense of sadness in knowing the enjoyments we have all experienced over the last 7 days will be hard replace. Both of you should be extremely proud of what you have created and we will look forward to returning in the near future to see how your plans have evolved – in particular Marco and Elena's Tuscan Dinner. You can be assured our family, friends and network around the world will hear of Villa Roncovisi.

To each of you and your families we would all like to wish you many years of health and happiness.

Kind Regards,

Chris, Sue, Joshua and Will, Molly-Rose Gibbs
Peter, Geraldine, Lauren, Luke, Caitlin & Joel Carter

PS I have attached a couple of photos from our experience on Wednesday at the Vatican – we were truly lucky to have both Will and Molly blessed by the Pope.
